Dear Parents/Guardians of Title I Students,

I have really enjoyed working with your child these past few weeks and getting to know them better! The students all come ready to learn and work hard. I'm already seeing progress and improvement! It's very exciting to see how much students learn from the beginning of the semester/school year to the end! I anticipate a lot of academic growth and a very successful year together! 😊

Progress Monitor & Behavior Charts

Progress Monitor Scores will be added to your child's Progress Monitor & Behavior Charts on a biweekly basis. Please initial them to let me know that you've seen them. Feel free to contact me with any questions or concerns that you might have. *(They only have their beginning scores right now.)*

Remind Group for Title I Reading:

Thank you to everyone that has had a chance to sign up for my Remind group for Title I. I really appreciate your promptness! 😊 If you haven't done so yet, **please sign up for my Remind group** by sending the text **@read23-4** to **81010**. Please let me know if you need help doing this and I'd be happy to help. *(I've attached directions for those that haven't signed up yet.)*

Parent/Teacher Conferences - The week of **October 9th – October 13th**

Parent/Teacher conferences will be held the week of October 9th – 13th. I'd really like to be able to meet with each of you individually to go over your child's DIBELS and Progress Monitoring scores as well as address any questions or concerns you might have at this time. I know time with classroom teachers is limited, so if possible, I'd like to meet with you either before or after that conference. I've created a sign-up sheet on **Sign Up Genius** for you to pick the day and time that works best for you or feel free to just message me. Below is the link for Sign Up Genius. *(I will also send the link through Remind and put on my website to make it easier to just click on it and sign up.)*
