

Central Elementary Title I Newsletter

Friday, January 5, 2024

Dear Parents/Guardians of Title I Students,

I hope you all had a wonderful Christmas and a happy start to the New Year! 😊

We have been working to complete the DIBELS Middle-of-the-Year (M.O.Y) Assessments with all students in Kindergarten through 3rd grade. I will send the DIBELS results home with your child when we finish with all of the assessments and our selections are finalized. A copy will also be mailed home with report cards.

I'll send either a new permission slip or a dismissal slip to let you know if your child will continue in Title I Reading with me this semester. Some students might also switch to part-time Title I. This is determined from the DIBELS assessments, teacher input, classwork and other testing.

As always, feel free to contact me if you have any questions or concerns about anything. You can reach me by email (msmith@sputnam.k12.in.us), calling the school (653-6175), or Remind (you can text [@read23-24](https://www.remind.com/) to 81010). For additional resources, please check out my classroom website located on the staff page on the Central Elementary website.

Sincerely,

Mrs. Smith

Title I Reading Teacher
Kindergarten, 1st, 2nd, & 3rd Grade
