

Central Elementary Title I Reading Newsletter

Friday, March 15, 2024

I'm so proud of how hard the students worked this week, especially after the time change and with it being the week before spring break! I know they are all anxious to have a week off! 😊

Progress Monitoring and behavior charts were updated last week. Please initial that you've seen them if you haven't yet.

Students are encouraged, but **not** required, to practice reading books and/or work on Boost Reading or the mCLASS Intervention Practice App over Spring Break if they have time. 😊

Have a wonderful Spring Break! 😊

Sincerely,

Mrs. Smith
