Friday, November 3, 2023

Reminder: Monday, November 6th, will be an eLearning day!

The Title I Reading assignment for Amplify Reading is posted on my **Google Classroom** page. We have practiced this and students know how to do it, but please contact me with any questions!

Students are encouraged to work on their **Boost Reading** program for at least 15 minutes on e-Learning days. It's also recommended that students work on **Boost Reading** 3 days each week for 15 minutes (or more). Login information was sent home earlier this semester and is also located on the back of your child's Title I reading folder.

Title I Reading books and/or activities are also being sent home in folders for students to practice reading. A detailed letter was sent yesterday about that on Remind and in folders. You can also find all of my newsletters and more information and resources on my web page. Go to the Central home page, then the staff directory, and then click on the link below my name.

Feel free to contact me if you have any questions or concerns. You can email me at msmith@sputnam.k12.in.us, call the school at 765-653-6175, or send me a message through Remind. **If you haven't done so already, please sign up for my Title I Reading Remind group by texting @read23-24 to 81010.* Thank You! 😊

Sincerely,

Mrs. Smith
