Dear Parents/Guardians of Title I Students:

As you know, **Parent Conferences** are being held next week. A sign-up was sent through my Remind group last week for **Sign Up Genius** and I'll send it again this week as well. Thank you to those that have already signed up for a conference time! I really appreciate your quick response! Please let me know if you need to switch days/times for any reason. I tried to provide times that would hopefully allow you to meet with me either before or after your conference with your child's homeroom teacher. If you don't see a time that is close to that, please contact me and I'll see if I can work something out for you. Another option is having a Phone Conference if that is easier for you. A few of the teachers also said it would be okay if we meet at the same time if that works better for you. I just want to be sure to meet and/or talk with each of you! Parent involvement is crucial to your child's success and I want to do all that we can to help your child be successful! 😊

Please feel free to contact me with any questions or concerns you might have. I really look forward to meeting with you at your child's conference! 😊

Sincerely,

Mrs. Smith
