E-LEARNING

Reminder: Monday, September 25th, will be an eLearning day!

The Title I Reading assignment for Boost Reading is posted on my Google Classroom page. We have practiced this and students (*should*) know how to do it.

Students are encouraged to work on their Boost Reading program for at least 15 minutes on e-Learning days.

Boost Reading is something that students can work on *any day* at home or school. Login information is located on the back of your child's Title I reading folder. They will also have log in cards with QR codes in their chrome book case.

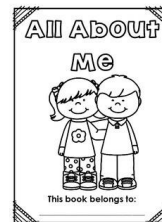

Feel free to contact me if you have any questions or concerns. Please sign up for my Remind by texting **@read23-4** to 81010. Thank You! 😊

Sincerely,

Mrs. Smith

*I've also included an "All About Me" page for students to complete at home and return to school in their folders. This will help me to get to know my students better and will hopefully be a fun activity for you to do together on their e-learning day on Monday. 😊
