

Title I Reading “Weekly Focus” for September 18-22, 2023

Title 1 Reading

Overview: Title I students will work in small groups for about 30 minutes daily. This week we will discuss classroom rules and procedures and do some of the Title I Educational games. Students will join my Title I Reading Google Classroom. Students will also learn about the Boost Reading program and practice on their chromebooks. Additionally, students will learn about the mCLASS Intervention Practice App and will practice on the Title I ipads.

Objectives: Students will learn the rules and procedures for Title I Reading. Students will join the Title I Reading class on Google classroom. Students will learn about the Boost Reading program and practice on their chromebooks. Students will learn about the mCLASS Intervention Practice App and will practice it on the Title I ipads. Students will do activities and games to get to know the other students in their group and to help them feel comfortable working together..

Activities:

- Students will join the Title I Reading class on Google
- Students will learn about Boost Reading program on their chromebooks
- Students will learn about the mCLASS Intervention Practice App and will practice on ipads,
- Students will learn classroom rules and procedures (“In this classroom...positive statements”.)
- Students will participate in Title I educational games.

Assessment: The Title I Reading teacher will assess students with classroom observations, participation, questions and answers throughout the lessons.

Dyslexia

Students that are at risk or some risk of dyslexia and have a signed permission slip from guardians will also participate in Level 1 Diagnostic Assessments this week.
